

## BALE GRIPPER FOR ROUND BALES

This bale gripper handles and stacks round bales quickly and reliably. The two grab arms pivot to avoid damaging the film wrap when picking up the bale.

### All advantages at a glance

- Bale diameters: 900 - 1,800 mm
- Carrying capacity: 1,400 kg
- Double-acting cylinder with pressure sustaining valve

### Options

- The loader must be specified with a driver protection roof or full cab.
