

POST HOLE DRILLER

Watch this attachment in use:
schaeffer.de/90-en

The earth drill offers almost limitless application possibilities: From earth drilling to pile and planting drilling to hole drilling for foundations and masts. Thanks to its robust design with powerful orbital motors, fence construction is also quickly completed. The universal joint on the pick-up of the earth drill ensures that the drill always drills vertically, regardless of how the loader is positioned.

All advantages at a glance

- Powerful auger for professional use
- Robust construction with low overall height
- Pressure relief valve as standard
- Wide selection of augers with different diameters

Loader requirements

- Min. 30 l/min remote oil flow
- Additional double-acting hydraulic connection
- Locking detent
- Tandem pump

Options

- Standard augers for drilling in soil and clay soils
- HD augers for drilling in gravel, asphalt or frozen soils
