Schäffer

BUCKET SWEEPER

This robust sweeper is a versatile attachment that tackles also challenging tasks. Featuring a cutting edge, it removes compacted soil from roads and squares and is also the perfect implement for cleaning horse paddocks. Made from hard-wearing materials, the cutting edges are reversible for extended use and longer wear of the bucket.

All advantages at a glance

- The cutting edge scrapes mud caked surfaces
- Choice of brush options: Full bristle, combination bristle, snow bristle
- Ø 600 or 750 mm brush

Loader requirements

- Min. 30 l/min remote oil flow
- The hydraulic folding system requires a minimum 75 l/min oil flow. We recommend opting for a flow control valve on the sweeper.

Options

- Side-mounted brush
- Ø 750 mm
- Water sprayer
- Hydraulic folding
- LED marker lights, 12/24 V
