

BALE GRIPPER FOR SQUARE BALES

The bale gripper is the ideal tool for loading and transporting square bales. The special shape of the gripper arms ensures that the film on the bales remains intact.

Vorteile auf einen Blick

- Bale size: 700 - 2,100 mm
- Capacity: 1.400 kg
- 2 double acting hydraulic cylinders

Anforderungen an den Lader

- The loader must be equipped with a protective roof or cab.
